Re: *United States v. William Sadleir*, No. 20 Cr. 320 (PAE)

Dear Judge Engelmayer:

I represent the defendant, and write in consultation with the government to jointly request an approximately two-week adjournment of the next status conference in this case, currently scheduled for September 9th. The purpose of this request is to allow the parties to continue their ongoing discussions regarding discovery and the case generally, and to permit the defendant to finalize issues related to his representation in this case and the separate case against him pending in the Central District of California.

The defendant has no objection to the exclusion of time for Speedy Trial Act purposes between September 9, 2020, and the next conference. Pursuant to 18 U.S.C. §3161(h)(7)(A), the parties respectfully submit that the ends of justice would be best served by such an exclusion, and would outweigh the best interest of the public and the defendant in a speedy trial in light of the complexity of this case, the interrelation of this case and the one pending in California, the defense's need to investigate the claims and review any discovery produced by the government, and the parties' ongoing discussions.

Thank you for your consideration of these requests.

Respectfully,

/s/ Matthew L. Schwartz

GRANTED. The conference is adjourned to September 30, 2020 at 3:00 p.m. For the reasons stated above, time is excluded, pursuant to 18 U.S.C. 3161(h)(7)(A), until September 30, 2020. The Clerk of Court is requested to terminate the motion at Dkt. No. 14.

SO ORDERED.
